

The Samsung logo is located in the top right corner of the advertisement. It consists of the word "SAMSUNG" in white, uppercase letters, enclosed within a blue oval shape.

Expand productivity
through simplicity

Samsung Monochrome
Laser Fax/MFP
SCX-5635FN

A fast, flexible laser printer.

High resolution, high quality. With 1200 dpi effective output, the SCX-5635FN delivers the document quality you expect from the world's second-largest laser print engine manufacturer.

High speed. The first print is out in less than 8.5 seconds and the rest follow at up to 35 ppm. A generous 128MB (expandable to 384MB) memory provides the capacity to handle big, complex documents.

OS friendly. Built-in Windows, Mac and Linux compatibility means everyone in the office gets to be more productive.

Enhanced emulation. Built-in emulation technology ensures utmost compatibility with any computer or software, processing every document quickly and easily.

Powerful software included. Our SyncThru™ software provides efficient PC-based device management. And SmarThru™ V4 software provides scan-and-edit optical character recognition (OCR) functionality and other valuable document handling applications.

An uncommonly powerful scanner.

Crisp, color scanning. With up to 600 x 600 dpi optical and 4800 x 4800 dpi enhanced scanning resolution, the SCX-5635FN captures photo-quality color and sharp black-and-white text.

Scan to email. Easily scan images directly into an email message for quick sharing.

Scan to network. Quickly scan hard copies to any file on the network.

Scan-and-edit optical character recognition. Lets you convert hard copies into digital text files, eliminating the need to completely re-key.

A more valuable fax machine.

Fast faxing. The Super G3 33.6 Kbps modem can transmit full pages in as fast as three seconds. Combined with a 15-second scan speed, you can even send lengthy documents on their way in a hurry.

Color scan and send. In addition to 300 x 300 dpi black-and-white faxing, the SCX-5635FN will transmit in full color at up to 200 x 200 dpi resolution.

PC fax-send. Instead of printing a file before faxing it, you can fax the document straight from your computer.

One-touch dialing. The SCX-5635FN features 200 speed-dial locations, and group dialing makes it easy to fax the same document to several machines.

Max memory. A generous 4MB fax memory stores up to 320 pages.

And all the valuable extras.

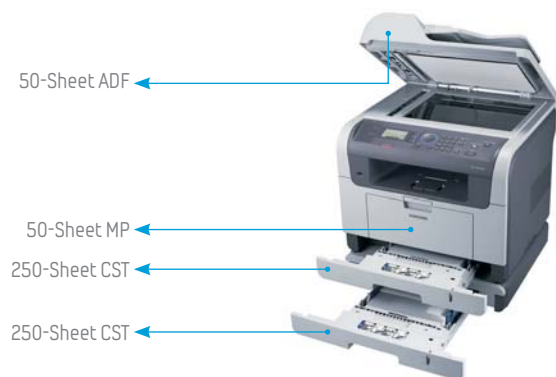

Direct USB. A direct USB port turns the SCX-5635FN into a self-functioning PC to save time and effort, while letting you print and scan directly with a USB device.

Low cost of ownership. A low 1.6-cent cost per page makes the SCX-5635FN the smartest purchase in the category.

Network synergies. Take advantage of the Ethernet 10/100 Base-TX network connectivity, and the SCX-5635FN becomes an integrated part of your network, delivering extended print, scan and fax functionality. Connect directly with hi-speed USB 2.0 or with optional 802.11 b/g wireless network card.

Robust paper handling. The SCX-5635FN supports up to 550 sheets composed of a 50-sheet multipurpose tray, a 250-sheet standard tray and an optional 250-sheet tray. The SCX-5635FN sets you free from frequent reloading paper and saves you time.

Robust Paper Handling

Robust maximum monthly duty. With an average of up to 3,000 prints a month, know you can get the most out of your multifunction printer. Even in the most demanding and challenging business environments, the SCX-5635FN can deliver a maximum monthly duty of 80,000 pages.

Robust Maximum Monthly Duty

Samsung SCX-5635FN

Digital duplex copier, laser printer, color scanner and high-speed fax.

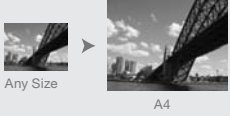

Boost your work efficiency and performance with the SCX-5635FN. Supporting workgroups and small and medium business users, this intelligent multifunction printer can do it all — laser-sharp print outs, professional-quality copies, fast faxes and colorful, crisp scans. It also delivers a printing speed of 35 pages per minute (ppm), duplexing functionality and convenient network features.

Why wait in line for a bulky copier? Superbly trimmed to fit in smaller spaces, the SCX-5635FN is engineered to help you work better, faster. A newly designed control panel, four-line LCD with backlighting and direct USB port make it easier to get the job done.

A full-featured copier.

Quick, clear copies. Copy speeds of up to 35 copies per minute (cpm) combine with 600 dpi effective resolution to deliver professional-quality duplicates, fast.

Clever features. Easy one-button features that will forever expand your expectations of a copier.

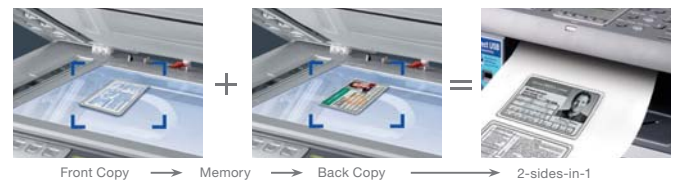

Auto-fit Copying	Poster Printing	Clone Copying	N-up Printing
Easily reduce or enlarge any document to fit perfectly on a single sheet. 	Transform a standard-size original into a multi-page poster. 	Copy a small image several times onto one sheet. 	Reduce one, two, four, six, nine or 16 pages onto a single page. 

Exclusive ID card copy. Easily copy the front and back of identification cards, such as medical insurance cards and driver's licenses, onto a single page.

50-sheet automatic document feeder. Instead of copying one page at a time, you can insert a stack of pages, press a button and grab a cup of coffee.

Two-sided output. Combined with the automatic document feeder, automatic duplexing makes it easy to copy two single-sided documents onto a double-sided document, requiring half the paper.

ID Card Copy (2-sided-in-1 Copy)

Simple, intuitive interface. An informative four-line graphic LCD panel and one-touch buttons for frequently used features make all your moves smooth.

Control Panel Components

1. ID Copy
2. Direct USB
