

# WD Caviar® SE

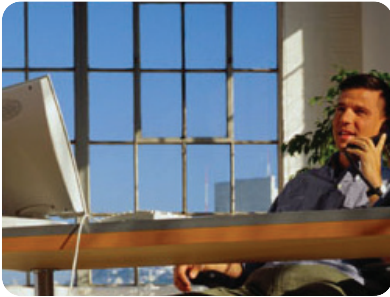

## SATA/EIDE Hard Drives

Lightning Fast  
Cool  
Quiet

## Perfect for High-performance Family and Business Computing.

- **Fast** – With SATA 3 Gb/s transfer rates and 8 MB cache, these drives push the boundaries of performance for their class.
- **Cool** – WD Caviar SE boasts the lowest operating temperature of any hard drive in its class.
- **Quiet** – Noise reducing technology results in a nearly silent drive, perfect for home and business environments.

Cool-running, quiet operation, superior performance, and industry-leading reliability make WD Caviar SE 7200 RPM SATA and EIDE drives perfect for high-performance family and business desktops supporting multimedia functions, photo editing, and many other demanding applications. They feature an 8 MB cache, up to 500 GB of storage, and a 3-year limited warranty.
